## National Garden Butterfly Survey

Please use the form to record the butterflies you see in your garden. Give the date when you first saw the butterfly in each three-month period. In the final column please record the highest number of each butterfly seen and the peak number date. The information will assist in conservation research. Results will appear in our Annual Report.

Do you agree to the results being used for other conservation research? Please tick to answer.

Yes?

No?

Butterfly	March-May	June-August	Sept.-Nov.	Peak no./Date
